

Appendix A: Form Used for Collecting Data

Sample Copy of Data Collection Form

Investigator:

Study: Observing Classroom Soundscapes / ID# 14/05-132

Date and Time of Observation _____

Building and Room # _____

Content Subject _____

Sketch the arrangement of the classroom regarding chairs, concentration of people sitting/standing, and/or physical objects (projector, board, windows, doors, etc.).

Record chronologically any nonverbal sounds as they occur in the classroom.

Record any spatial arrangement of any nonverbal sounds as they occur in the classroom.

What do the sounds enact procedurally? (What is asked, prohibited, forced?)

What is not being listened for (by any set of participants)?
